 202.589.2401

Candace Roberts, CPCE is the Executive Assistant for Regulatory Affairs at the Bank Policy Institute (BPI), supporting daily operations and special projects. Previously, Ms. Roberts worked diligently as an Event Planner and Project Manager for corporate companies and not for profit organizations.

Her work included working closely with AVON 39, AIDS Walk, and various other campaigns to help combat serious issues within the San Francisco area and beyond. As well as creating the first scholarship program for Black Event Planners to receive their professional certification through the National Association for Catering and Events (NACE).

Ms. Roberts earned her B.A. in Sociology with a Recreation minor and went on to receive her certification in events from San Francisco University.
